Want to be popular? Secure a copy of this book. A powerful intellectual book for teens and young adults. This delightful, easy reading book is filled with passionate information to challenge the mind. Find out what makes you popular or unpopular? Do you want to be accepted and liked at school, college, church, or work? Do you want to know how to make friends, keep friends and have people seeking your company? How to attract the opposite sex? This book directs You to choose careers that most people do not think will put you in the limelight. What a young man should do if he wants to talk to a beautiful woman? What is so sexy about a young man walking around, showing his underwear? What a lady should do to get, and keep a man's attention? What a person may be doing that causes people to quickly turn from them. How to have lasting friendships. Why you may be lonely, unpopular, or invisible, and how to correct these negatives.
