When, on the spur of the moment, Norman Huntley and his friend Henry invent an eighty-three-year-old woman called Miss Hargreaves, they are inspired to post a letter to their new fictional friend. It is only meant to be a silly, harmless game--until Miss Hargreaves arrives on their doorstep. She is, to Norman's utter disbelief, exactly as he had imagined her: enchanting, eccentric, and endlessly astounding. He hadn't imagined, however, how much havoc an imaginary octogenarian could wreak on his sleepy Buckinghamshire hometown.

这本书的优点和缺点都很明显.前半部分非常惊艳,“Creative thought creates”, 不得不说这是一个非常有创意的想法.我觉得还有个恰当的说法,就是“tales come to life”.而且完全出乎我意料的是,虽然这是一部惊悚小说,但有的桥段非常之搞笑,且一点都不刻意生硬,比某些标榜幽默的作家强上百倍,后来一查老外对这本书的评论是comic supernatural,我感觉相当贴切.缺点就是我感觉写着写着作者不知道该如何收场了,导致后半部分非常松散,没有什么矛盾集中的爆发点,男主角有时候的行为我个人难以理解,比较容易导致阅读疲劳.总之,这本书很值得你花点时间读一读.
