She's the spiciest ingredient in the legendary rap group Salt-N-Pepa, and the outspoken star of VH1's smash-hit reality show. She's Sandy "Pepa" Denton -- and she's never at a loss for words. Now, in her first tell-all book, Pepa talks about sex, music, life, love, fame, and so much more.... "Most of you know me as Pep, or Pepa, the fun-loving half of Salt-N-Pepa. I am the party girl, the one who is down for whatever. But behind the laughs and the smiles is a whole lot of pain." Funny, fearless, and full of life, Sandy "Pepa" Denton is a pop culture icon whose remarkable story is every bit as captivating and provocative as her Grammy Award-winning music. This is the real Pepa -- upfront, uncensored, unstoppable -- and these are the memoirs of a true pioneer, fighter, survivor, and inspiration to women everywhere. For the first time, Pepa talks about: - Her troubled childhood- Surviving abuse- Her first encounters with Cheryl "Salt" James- Salt-N-Pepa's instant success- Her failed marriages and her escape from domestic abuse- Her "breakup" with Salt and their eventual "reunion"- Her triumphant comeback on the VH1 reality shows "The Surreal Life," "Fame Games," and "The Salt-N-Pepa Show" Filled with surprising insights, outrageous anecdotes, and celebrity cameos -- including Queen Latifah, Martin Lawrence, Janice Dickinson, Omarosa, Missy Elliott, L.L. Cool J, supermodel Caprice, Ron Jeremy, Lisa "Left Eye" Lopez, "Spinderella," and many others -- "Let's Talk About Pep" offers a fascinating glimpse behind the fame, family, failures, and successes of celebrity...and into the faithful heart of a woman who will always value the good friends she found along the way. In the words of Sandy "Pepa" Denton, "there's no walking away from that."
