isbn:9780867194050

Car culture--pinstriping, customizing and cartooning--is nearly synonymous with Southern California culture. Kustom Kulture tells the story of the revvedup legends of the custom car cult of the '50s, '80s and '70s in Los Angeles. Artwork by Robert Williams. Van Dutch, and Ed "Big Daddy" Roth, Hot rod art at its best by three of the masters of the form.
