After the critical success of his first novel, *Morvern Callar*, Alan Warner has written an extraordinary, stirring sequel to *Morvern's odyssey*, confirming him as one of the most original, uniquely gifted writers to have appeared this decade. An air-crash investigator haunts the hinterlands of an island--around the isolated honeymoon hot spot, the Drome Hotel--gathering the debris from fallen planes that the islanders have fashioned into makeshift sheds and fences; but what kind of jigsaw is he really assembling as he paces the runway? A young woman makes landfall on the island, crossing the interior to arrive at the Drome Hotel: desperate, strange--and strangely familiar. Meanwhile, DJ Cormorant is trying to organize The Big One, a rave on the adjacent airstrip, and from all over These Demented Lands come twisted characters, converging for one final Saturday night at the Drome Hotel.
