出版者:Palgrave Macmillan

出版时间:2001-7-6

装帧:Paperback

isbn:9780333949467

"Sold, a legal prostitute" when married off at the age of 15, Charlotte Smith left her wastrel husband to support herself and their children as a poet and novelist who would have a lasting influence on William Wordsworth and Jane Austen. Combative and witty, she became a radical, controversial and very popular author: at a time when the French Revolution was raising high hopes of Reform, she argued for change in England too. Loraine Fletcher's biography is readable for both the newcomer to the 1790s as well as for the specialist.
