A collection of the twenty best contemporary short stories selected by series editor Laura Furman from hundreds of literary magazines, The PEN/O. Henry Prize Stories 2010 brings to life a dazzling array of subjects: a street orphan in Malaysia, a cowboy and his teenage bride, a Russian nanny in Manhattan, a nineteenth-century Nigerian widow, and political prisoners on a Greek island. Also included are essays from the eminent jurors on their favorite stories, observations from the winners on what inspired them, and an extensive resource list of magazines.
