Victoria is a girl who loves to explore the unexplored: a clearing in the wood, an interesting tree, a mysterious door. But on an ordinary day, her exploring uncovers something extraordinary, magical, and anything but ordinaryaa portal to a magical, mystical world. Before she knows it, Victoria is caught in the world of Travarmis, where nobility reigns, creatures roam, and magic touches everything. She is believed to be the young Lady Caristine, and is soon caught up in the whirlwind of a royal election, the life of Caristine, and a magical force in the wood that is determined to reign supreme.
