Youthful beauty, nave innocence, a romantic imagination thirsting for adventure-an apt description of Vaden Valmont, who would soon find the adventure and mystery she had always longed to experience-in the form of a man. A somber recluse, Ransom Lake descended from his solitary concealment in the mountains, wholly disinterested in people and their trivial affairs. And somehow, young Vaden managed to be ever in his way-either by accident or because of her own unique ability to stumble into a quandary. Yet the enigmatic Ransom Lake would involuntarily become Vaden's unwitting tutor. Through him, she would experience joy and passion the like even Vaden had never imagined. Yes, Vaden Valmont stepped innocently, yet irrevocably, into love with the secretive, seemingly callous man-Ransom Lake. But there were other life's lessons Ransom Lake would inadvertently convey to her as well. The darker side of life-despair, guilt, heartache. Would Ransom Lake be the means of Vaden's dreams come true? Or the cause of her complete desolation?
