著者:Claude S. Fischer

出版者:University Of Chicago Press

出版时间:2010-05-01

装帧:Hardcover

isbn:9780226251431

In *Made in America: A Social History of American Culture and Character*, Fischer identifies five themes, these being security, goods, groups, public spaces, and mentality, and he shows their distinctive impact upon and expression within American lives. More surprisingly he shows strong evidence of continuities.
