Desiree never ventured out much in her hood until she met and fell in love with Bilal. Their bond is so tight, it seems like they were made for each other. But when the couple witnesses a vicious double murder, their love is put through a grueling test. And when Desiree finds herself in a sticky situation involving one of the top dogs in the drug game, things spin out of control. Between vendettas, murder, and secret pasts, will their love survive? Or will the their bond become another casualty of the havoc In My Hood?
