isbn:9780521710114

Immanuel Kant's *Critique of Pure Reason*, first published in 1781, is one of the landmarks of Western philosophy, a radical departure from everything that went before and an inescapable influence on all philosophy since its publication. This Companion is the first collective commentary on this work in English. The seventeen chapters have been written by an international team of scholars, including some of the best-known figures in the field as well as emerging younger talents. The first two chapters situate Kant's project against the background of continental rationalism and British empiricism, the dominant schools of early modern philosophy. Eleven chapters then expound and assess all the main arguments of the *Critique*. Finally, four chapters recount the enormous influence of the *Critique* on subsequent philosophical movements, including German Idealism and Neo-Kantianism, twentieth-century continental philosophy, and twentieth-century Anglo-American analytic philosophy. The book concludes with an extensive bibliography.

大部分人干的还是圆话的活，简单的做法是从全集里找文本来圆，不行的话就找同时代的文本来圆，再不行，找之后的二手文本来圆。不能说这么干有问题，因为，如果你不按照这个规则玩的话，这些搞史的人就不会认你做同行，简而言之，就没人跟你玩了，当然你不混这个圈子另当别论。

写paper神器二
