One of America's premier fingerstyle guitarists introduces the exciting world of

fingerpicking. Mark Hanson designed this comprehensive 70-minute program to get you started with several popular fingerpicking patterns. After a quick review of open-position chords and proper right-hand position, Mark teaches picking with the thumb and three fingers. He covers the famous "Travis" alternating thumb pattern as well as some great chord moves. Tab booklet included. With its wealth of advice, insights and fun tunes, this informative DVD is a great introduction to the world of fingerstyle guitar.
