出版时间:1994-03-30

装帧:Paperback

isbn:9780780310360

Using an informal, hands-on approach, this practical guide reviews the basics of good technical writing. It provides a simple, effective system for writing all types of technical documents including letters, memos, minutes, procedures, manuals, proposals, progress reports, and final reports. You will gain a better understanding of the writing process and learn how to: improve the coherence of your writing, write better paragraphs, write better sentences, choose the right word and more.
