著者:Laura Ingraham

出版者:Encounter Books

出版时间:2002-12-15

装帧:Paperback

isbn:9781893554658

In The Hillary Trap, journalist and media personality Laura Ingraham turns a razor sharp eye on this view of Hillary and questions her status as a metaphor for the modern empowered woman. Ingraham suggests that if anything, Hillary's mix of opportunism, acquiescence, and dependency has set women back rather than leading them forward. This is the Hillary Trap.
