A young woman's body is found with puncture marks on her neck, and soon the delicious word vampire is on everyone's lips. All of FBI profiler Sophie Anderson's skills—psychic and psychological—will be needed for her to determine whether this was a thrill kill or something even more sinister. Exploring the blood bars and Goth clubs of L.A., Sophie immerses herself in the seductive culture of self-styled vampires. Posing as the alluring Lady Veronica and infiltrating a notorious clan, Sophie will learn just how deep the fantasy goes for some believers. When life requires death, nothing is sacred.
