isbn:9780470695098

Corporate governance is concerned with how a company is directed and controlled and, in particular, with the role of the directorate and the need to ensure that there is an effective framework for accountability of directors to owners. Corporate Governance and Accountability, Third Edition provides readers with an up-to-date summary of the most recent developments in corporate governance. The book provides a full discussion of corporate governance issues and adopts a holistic approach to corporate governance. It provides a full discussion of corporate governance issues, taking the broadest view of the corporate governance agenda, including both theory and practice. The new edition is comprehensively updated and incorporates new codes of practice, policy documents and academic research.

读书时候自己买的教科书~！！ 值得珍藏。

上本科的时候，Final

yr开始前书单上列的是这版，开学后4th已出，就换成了4th。所罗门的这本书无论怎么再版，至今框架上没有太大变化，只是在根据FRC对Corporate governance code的更新而做内容上的调整。PS此书是基于英国的公司治理而写的，并不符合中国国情，但是确实少有的有中文译本的公司治理教材。
