"I'm Having Twins" is an inspirational children's book about a 3-year-old girl named Paris who comes to terms with her parents adding twin siblings to their family mix. The story begins as Paris learns that she will soon have twin siblings and ends as the family leaves for the hospital to have "Her Twins." The book takes Paris through the trials and tribulations of a twin pregnancy from the big sister's perspective and shows her how they are really hers, too, easing her transition to Big Sisterhood. It is based upon the real-life experiences of a little girl named Paris living in the San Francisco Bay Area.
