Darcy and Dr. Maddox go in search of Darcy's missing half-brother and wind up captured and thrown into a medieval prison cell. Much to his dismay, Charles Bingley is

left to hold the fort at Pemberley while his sister Caroline Maddox, Elizabeth, and Col. Fitzwilliam make their way across Europe and attempt a daring rescue. Darcy and Maddox return rather the worse for wear, and the two households are thrown into an uproar by the two heroes' temporary madness. Meanwhile, Lady Catherine deBourgh kicks up a truly shocking scandal. One never knows what might happen next between the estates of Rosings and Pemberley.
