This is the second volume of the acclaimed English edition of "Miqra'ot Gedolot". The biblical commentaries known as Miqra'ot Gedolot have inspired and educated

generations of "Hebrew" readers. With this edition, the voices of Rashi, Ibn Ezra, Nachmanides, Rashbam, and other medieval Bible commentators come alive once more, speaking in a contemporary English translation annotated and explicated for lay readers. Each page of this second volume in "The Commentators' Bible" series contains several verses from the "Book of Leviticus", surrounded by both the 1917 and 1985 JPS translations, and by new contemporary English translations of the major commentators. The book also includes an introduction, a glossary of terms, a list of names used in the text, notes on source texts, a special topics list, and resources for further study. This large-format volume is beautifully designed for easy navigation among the many elements on each page, including explanatory notes and selected additional comments from the works of Bekhor Shor, Hizkuni, Abarbanel, Sforno, Gersonides, and others.
