出版时间:2009-9-28

装帧:Paperback

isbn:9780923568962

This handbook covers many detailed specifications of the APA style...including in-text citations, source citations, and a sample paper. It also sheds new light on the manual using step-by-step processes and exemplification that enable readers to fulfill APA rules and regulations while focusing on the content, rather than the format, of their academic research.
