装帧:Paperback

isbn:9780023091926

This book is a collection of 50 readings that trace the course of the HIV/AIDS health crisis from its beginnings in the late 1970s and early 1980s to the present day. The book uses personal journals, diaries, essays, and scholarly investigations drawn from a number of fields to present multiple positions on the same issue, thereby encouraging both debate and deeper understanding.
