"Writing Logically, Thinking Critically with Readings " shows readers how to analyze and evaluate the arguments of others and to construct logical arguments on their own. ""Writing Logically, Thinking Critically with Readings" enables its readers to write in all disciplines, to choose wisely as voters and consumers, and to advocate their own ideas. This edition combines the time tested, original guide to reasoning and writing, with selected contemporary readings that demand critical thought. Readings include five sections focused on the broad issues of: First Amendment Rights, Bioethics, Sexual Harassment, Romance and Marriage, and Language and Meaning. This issues and readings were chosen for their quality of writing and diverse points of view, serving to prompt writing, discussion, and the development of informed, critical opinions. For anyone interested in developing critical thinking and writing skills.
