St. Ignatius Loyola (1491-1556), the founder of the Society of Jesus (aka the Jesuits), was known for his practical spirituality. The "way of Ignatius" has helped millions of people—from the doubtful seeker to the devout believer—find freedom, make friends, live simply, work sensibly, fall in love, experience joy, and enter into a relationship with God. The Ignatian goal of "finding God in all things" means that every part of our lives can lead us to God. The Jesuit Guide to (Almost) Everything shows us how this is possible, with user-friendly examples, humorous stories and anecdotes from the heroic and inspiring lives of Jesuit saints and average priests and brothers, as well as examples from Martin's twenty years as a Jesuit. The traditional wisdom that Jesuits use to help other people in their daily lives is easily applied, but not often explained well to the general public. The Jesuit Guide to (Almost) Everything translates these insights of St. Ignatius for a modern audience and reveals how we can find God—and how God can find us—in the real world of work, love, suffering, decisions, prayer, and friendship.

## 作者介绍:

Rev. James Martin, SJ, is a Jesuit priest, culture editor of America magazine, and bestselling author of The Jesuit Guide to (Almost) Everything and My Life with the Saints. A frequent commentator in the national and international media, Father Martin has appeared in such diverse outlets as The Colbert Report, NPR's Fresh Air, The O'Reilly Factor, and PBS's Newshour, as well as in the New York Times, The Wall Street Journal, and The Huffington Post. Before entering the Jesuits in 1988, Father Martin graduated from the Wharton School of Business.
