Brian Porter and Reg Rose's book is the definitive reference for the NVQ courses in Carpentry and Joinery, and Bench Joinery, at levels 2 and 3. It sets out the

fundamental knowledge and basic methods which recur throughout the courses. As a one-stop, practically-oriented reference, this manual is invaluable to the student and the resource centre. It covers all the background knowledge needed for NVQ joinery. It is presented in a user-friendly format with a wealth of diagrams and photographs to aid understanding. It will serve the reader long after the course is completed.
