This completely new sequel to the highly acclaimed Child Protection Team Handbook offers step-by-step guidelines for establishing an effective child protection program with techniques used successfully by hospitals, schools, and social services groups nationwide. It is particularly welcome at a time when the scandal of child abuse-blazoned in newspaper headlines daily-has become a major national concern.

The New Child Protection Team Handbook is a ready source of practical answers and workable solutions to common child abuse and neglect problems and should be in the

hands of all professionals and concerned lay persons involved in solving the problem of child abuse.
