Among this year's best are articles by Leigh S. Estabrook ("Librarianship and Information Resources Management: Some Questions and Contradictions"), Ted Solotaroff ("The Literary-Industrial Complex"), Margaret F. Stieg ("The Nazi Public Library and the Young Adult"), and Kay Vandergrift, Marlyn Kemper, Sandra Champion, and Jane Anne Hannigan ("CD-Rom: Perspectives on an Emerging Technology"). Southwest Review, The Mid-western Archivist, AB Bookman's Weekly, The Boston Review, and New Republic are represented alongside the library press, both new and old.
