If you are looking to create exciting Web graphics and need to define and edit images quickly and easily, then this book is for you - whether you're new to Adobe's latest graphics editing software or you need a refresher on Photoshop's wide range of resources. Open the book and you'll discover clear, easy-to-follow instructions for

more than 250 key Photoshop tasks, each presented in ten quick steps-or less. Easy-to-navigate pages, lots of screen shots, and to-the-point directions guide you through every common (and not so common) Photoshop challenge - and help you get more done in less time. Each solution is ten steps - or less - to help you get the job done fast. Self-contained two-page spreads deliver the answers you need - without flipping pages. A no-fluff approach focuses on helping you achieve results. A resource packed with useful and fun ways to get the most out of Photoshop. Make it simple and get productive fast! - find full-color images and links to resources, downloads, and companion and plug-in software on this book's Web site.
