In Baghdad's Green Zone, an Iraqi scientist is murdered just before he can reveal the secret that Saddam Hussein took to his grave: the location of the Palace of Death--home to a devastating chemical weapon quietly developed by Islamic militants. The assassination is the work of a mysterious sniper called Juba, who was trained by the British but now works with a twisted mastermind determined to steal control of the terrorist world from Al Qaeda. When he tests the new weapon by killing hundreds of people at a British royal wedding in London, the devastation is all too real. Kyle Swanson, once the top sniper in the Marine Corps and now the key member of a

secret special operations team known as Task Force Trident, is assigned to hunt down his old special ops rival. A new reign of global terror can be stopped only by a confrontation between the two best snipers in the world, a duel in which the first shot wins--most of the time...
