出版时间:2010-01-30

装帧:Hardcover

isbn:9781861895424

In *Manhood*, experienced urologist and sexologist Mels van Driel offers an unprecedented history of the penis—with answers to everything you wanted to know, and even some questions you’d never thought to ask. Investigating the penis and its functions, van Driel’s work ranges from impotence to the speed of ejaculation, and from inguinal hernia to infertility. Psychological factors that have an impact on sexual experience, as well as contemporary phenomena, such as cyber sex, are examined along the way with good humor and much insight.

## 作者介绍:

Mels van Driel is an urologist and sexologist at the University Medical Centre in Groningen in the Netherlands. He has written widely for scientific publications, newspapers and magazines.

Paul Vincent has been a translator from Dutch and German to English for the past twenty years.

评论

讲男根的书，居然提到毛主席。当然还有许多有趣之处。如果再砍掉些病理知识就更好了。

---

很多有趣的知识点。只是笔调不够松。
