isbn:9780061670145

In "We'll Always Have Paris"--a new collection of stories gathered together for the first time--the inimitable Ray Bradbury once again delights us with prose that soars and sings. He imagines great things and poignantly observes human foibles and frailties. He enchants us with the magic he mastered decades ago and still performs flawlessly. Whether he's exploring the myriad ways to be reborn, or the circumstances that can make any man a killer, or returning us to Mars, Bradbury opens the world to us and beckons us in. His tales will live forever--we will always have Bradbury.
