Simon's uncanny ability to spot talent - and his way of shooting down those without it - has made him both the most popular and feared reality TV show judge of all time. He's the star of hit shows like Pop idol, American Idol and Britain's Got Talent. And it doesn't end there - he's bringing his biggest success so far, The X Factor, stateside. Simon Cowell looks unstoppable. This in-depth and fascinating biography looks at the man behind the incredible TV talent show phenomenon. A must-read for any fan, it charts his success from the mailroom of EMI to the launch of his own label, Syco, and the incredible journey that has made him the first billion dollar man in British TV. This is his unforgettable true story.
