Richard Rorty was a seminal figure in philosophy, transforming the discipline during the last quarter of the 20th century and setting it on a new path for the 21st. An early, implacable critic of the widespread preoccupation with questions of truth, representation, and the foundations of knowledge, Rorty promoted a new type of philosophical pragmatism with great persuasive power, and many have credited him with inspiring the renewed interest in the thought of classical American philosophy, especially his hero John Dewey. Always controversial, Rorty's books and essays were read as carefully by his critics as by his admirers. This book includes in its nearly 1,000 pages Rorty's intellectual autobiography, 29 previously unpublished critical and descriptive essays by famous scholars, Rorty's replies to most of them, and a complete bibliography of his published works. Since Rorty passed away in 2007, his contributions to this volume have a special importance as among his final writings.

作者介绍:

Randall E. Auxier (right) Editor of the Library of Living Philosophers, is Professor of Philosophy at Southern Illinois University, Carbondale. He is author of *Time, Will, and Purpose* (2010) and numerous scholarly articles, reviews, and popular essays. He is editor of the scholarly journal *The Pluralist*, General Editor of *The Collected Writings of Josiah Royce*, and editor of numerous other books, including *Responses to Royce* (2000), *Hartshorne and Brightman on God, Process, and Persons* (with Mark Y.A. Davies, 2001), and in the Library of Living Philosophers, volumes on Seyyed Hossein Nasr, Marjorie Grene, Jaakko Hintikka, and Michael Dummett (all with Lewis Edwin Hahn).

The late Lewis Edwin Hahn was editor of the Library of Living Philosophers from 1981 to 2001. As Paul Schilpp's successor he edited three LLP volumes with Schilpp and eight volumes as sole editor, then conceived, planned, and began the creation of seven more volumes. He authored *A Contextualistic Theory of Perception* (1942), *Value: A Co-operative Inquiry* (with John Dewey and others, 1949), and *A Contextualistic World View* (2001). Professor Hahn co-edited *The Early Works of John Dewey, 1882-1898* (1967-1972) and wrote numerous articles for scholarly journals and collections.
