著者:Beverly Gore Norcross

出版者:Pearson

出版时间:2009-5-7

装帧:Paperback

isbn:9780205736805

The Student Workbook provides detailed instructions and visual guidance for makeup application techniques along with exercises to help students develop their creative application skills. Rich with photos that illustrate the application process, each chapter

of the workbook offers students practical tips and helps outline the preparation and research involved in each makeup design.
