Dr. Michael Newton, best-selling author of "Journey of Souls and Destiny of Souls", returns with amazing case studies that highlight the profound impact of spiritual regression on people's everyday lives. These true accounts - handpicked and presented by "Life Between Lives" hypnotherapists - feature case studies of real people embarking on life-changing spiritual journeys: returning to past lives as a Viking, a German WWII soldier, a slave in the American South ...reuniting with soul mates and spirit guides ...and communing with their immortal souls. As gems of self-knowledge are revealed, dramatic epiphanies result - enabling these ordinary people to resolve illness, explain strange feelings and impulses, find emotional healing, realize their life purpose, and forever enrich their lives with new meaning.
