Greg Gutfeld, the acclaimed host of the popular, nightly Fox News show Red Eye, has packed this book full of his most aggressive (and funny) diatribes -- each chapter exploring Unspeakable Truths that cut right to the core and go well beyond just politics. Greg deconstructs pop culture, media, kids, disease, race, food, sex, celebrity, current events, and nearly every other aspect of life, with Truths including but not limited to: "if you're over 25 and still use party as a verb, then you're beyond redemption," "the media wanted bird flu to kill thousands," "attractive people don't write for a living," "death row inmates make the best husbands," and "the urge to punch Zach Braff in the face is completely natural."

With an irreverent voice, incredible wit, and a firm take on just about everything, this is a manual for how to think about stuff, by a guy who has thought about precisely that same stuff. And, even if you disagree with Greg, this book will make you laugh--guaranteed.\*
