Solid command of college-level English and math skills are vital for success among students taking the Graduate Management Admission Test. This set of 400 flash cards present GMAT-level questions in both English and math, with answers on their reverse sides. The cards make fine test preparation tools whether they are used alone or in tandem with Barron's GMAT test preparation manual. The cards measure 4 1/2" by 2 3/4" and have a hole in one corner that accommodates an enclosed metal key-ring-style card holder. The ring allows students to arrange the flash cards for study sessions in any sequence that suits their learning needs.
