In the Realm of the Gods appears a sleeping stranger who awakens to discover that she has forgotten who she is. Hope, an abused housewife, is led into the care of Hades, the mysterious God of the Underworld. She befriends Persephone, Odin, his strong but beleaguered wife Frigga, Pan, and Chauncey, the gargoyle. Hope then becomes a student of the goddesses and the journey begins. Loki brings tricks and trouble as well as the past Hope left behind. Together, this cast of characters invites the reader along on a journey of self exploration that promises to change the heavens forever.
