著者:Etienne Pivert de Senancour

出版者:Kessinger Publishing Co

出版时间:2003-8-27

装帧:Paperback

isbn:9780766181182

The philosophical, descriptive, familiar and, since it must be admitted, sentimental letters which, under the title of Obermann, have won for themselves a permanent, if

not perhaps a higher place in the classical literature of France, and are not unknown in England, were first published in the early years of the 19th century and are the chief, though not the sole title to distinction of the author.
