The legend starts here!

The Legend of Drizzt® Collector’s Edition, Book I collects the first three novels in this best-selling series: Homeland, Exile, and Sojourn in a new trade paperback edition. A great value for anyone who’s ready to experience the Legend of Drizzt.

Drizzt Do’Urden made his first mistake the moment he was born: he was a boy. In the rigid matriarchy of the dark elf city of Menzoberranzan, that makes his life forfeit. But when his own mother tries but fails to kill him, Drizzt’s path is set. He must find a way to escape the treacherous Underdark, even if that means setting out alone into the no less dangerous World Above.
