Alexia Tarabotti, now Lady Maccon, awakens in the wee hours of the mid-afternoon to find her husband, who should be decently asleep like any normal werewolf, yelling at the top of his lungs. Then he disappears - leaving her to deal with a regiment of supernatural soldiers encamped on her doorstep, a plethora of exorcised ghosts, and an angry Queen Victoria. But Alexia is armed with her trusty parasol, the latest fashions and an arsenal of biting civility. Even when her investigations take her into the backwaters of ugly waistcoats, Scotland, she is prepared: upending werewolf pack dynamics as only a soulless can. She might even find time to track down her wayward husband, if she feels like it.

作者介绍:

Ms. Carriger began writing in order to cope with being raised in obscurity by an expatriate Brit and an incurable curmudgeon. She escaped small town life and inadvertently acquired several degrees in Higher Learning. Ms. Carriger then traveled the historic cities of Europe, subsisting entirely on biscuits secreted in her handbag. She now resides in the Colonies, surrounded by a harem of Armenian lovers, where she insists on tea imported directly from London and cats that pee into toilets. She is fond of teeny tiny hats and tropical fruit. Find out more about the author at <http://www.gailcarriger.com>.
