Saker's ghost army is slaughtering those of the new blood, fueled by an ancient wrong. But while he'd thought revenge would be simple, he's now plagued by voices foreshadowing a calamity beyond his comprehension.

Ash and Bramble raise the warrior spirit of Acton , mighty in life and powerful in death. Only he can stop Saker's rampage. But is Acton, Lord of War, murderer or savior?

And why would he help strangers protect a world he's never known?

Bramble has been marked as Saker's nemesis, but will be challenged by deeper powers than Saker can command - as well as by her own feelings for Acton . As the living fight the dead, strange forces will shape an uncertain future from pain and suffering.
