One Vampire. Six Werewolves. Fangs, claws, and a lot of bad hair days turn into a reign of terror over the nighttime streets of Denver. Sometimes, when things go bump in the night, its best to bump back. Howl is a series of short fiction pieces which tie the stories of several werewolves, a vampire, a hard boiled detective, and a 15 year old British

gutterpunk (who also happens to an archangel) together into a single plot line. The full moon is on the way, and things are about to get hairy
