In New York City, Nights Are Dangerous. Days Are Numbered. When New York University sophomore Megan Gunther finds personal threats posted to a website specializing in campus gossip, she's taken aback by their menacing tone. Someone knows her daily routine down to the minute and is watching her--but thanks to the anonymity provided by the Internet, the police tell her there's nothing they can do. Her friends are sure it's someone's idea of a joke, but when Megan is murdered in a vicious attack, NYPD Detective Ellie Hatcher is convinced that the online threats are more than just empty words. With smooth, straight-talking partner J. J. Rogan at her side, Ellie tries to

identify Megan's enemies, but she begins to wonder if the coed's murder was more than just the culmination of a cyber obsession. And when Megan's roommate suddenly disappears, Ellie and J. J. know they have to find her before another young woman dies.
