Ten years ago Jordan Masterson left her hometown heartbroken—and pregnant. Now, yearning for connection with her family, the single mother returns to Tallgrass, Oklahoma. But she's shocked to find her son's father—unaware he has a child—a vital part of the community. Zachary Rutgers owns the ranch that the local homeschoolers use for riding and recreation. Which means little Nicholas, Jordan and Zachary will be spending a lot of time together. Jordan must tell Zachary the truth about their son—and ask for answers herself. Hoping the heart of her cowboy will still be hers for the taking.
