著者:Gerald J. Schiffhorst

出版者:Mcgraw-Hill College; 2nd edition

出版时间:January 1, 1997

装帧:

isbn:9780070920965

One of the original concise guides to the essentials of composition, this compact handbook not only provides students with a handy grammar reference, but also with an effective guide to the composing process. This streamlined new edition features a new comb binding with easy-to-use tabs. It continues to provide quick accessible information about grammar, usage, and stylistic considerations, and now includes updated coverage on electronic documentation and a new section on editing for ESL problems.

非常好的一本handbook，无论是包装还是内容都很值得一看。上传了封面照片，但不如手捧本书来的感觉好，哈哈。
