A practical guide to trading around the commitments of career and family "Making Money in Forex" will help aspiring traders successfully enter this field while maintaining a job. With this book, author Ryan O'Keefe explains his own personal journey to becoming a trader and shows you how to follow a similar path. O'Keefe describes his approach to trading and reveals his bargain hunting trading style, which is designed to capitalize on market trends. Throughout the book, O'Keefe pays a great deal of attention to trading psychology, learning to read price instead of indicators, and emphasizes that aspiring traders must find a strategy they are comfortable with and can implement with confidence. Addresses how you can successfully trade around the demands of your job and personal life Reveals the author's "bargain hunting" style which can be used to reduce risk and maximize profit Discusses how common trade management techniques may impact overall performance Provides insights into structuring trading to minimize stress Written in a straightforward and accessible style, " Making Money in Forex" utilizes a conservative approach to trading that will help you build your trading competency over time.
