著者:David H. Wollman

出版者:Kent State University Press

出版时间:1999-6

装帧:Hardcover

isbn:9780873386241

This history of the JandL Steel Corporation paints a gritty portrait of the successes and failures of the American steel industry. David Wollman and Donald Inman had access to many never-before-published photos of inside the JandL mills as well as historic advertising copy and excerpts from the Jake and Louie cartoons known so well by the

thousands of employees.
