They are the damned, the forgotten-those who cry out to let us know they lived. They are all ages and all sexes. They remain earthbound for many reasons-duty, devotion, a sense of responsibility, but most of all for the simplest and most compelling reason of all: love. Come explore the vast land that is Russia, from the metropolitan streets of Moscow to the windswept steppes and farflung plains of Siberia. Discover the strange tales of those whose lives have continued long after their bodies perished, and whose restless spirits yet leave footprints in the Russian snows.
