Follow the story of Beatrice in Volume One, "Lady Pokingham," where sordid adventures in the sexual underworld are commonplace, and virginal fantasies, flagellation, and Catholic guilt manifest themselves as streams of erotic poetry. In Volume Two, "La Rose d'Amour," a young man is influenced by his lusty young cousins, who invite him to join an illicit club of debauchery and brandy-saturated orgies, where pearl necklaces and see-through negligees are the only dress codes required.

作者介绍:

佚名

歐洲情色小說在十九世紀一直受到宗教打壓，很多作者不得不以佚名創作情色小說。《珍珠：淫豔小集》（The Pearl: A Magazine of Facetiae and Voluptuous Reading）發行了十八期之後旋即停刊，它雖是一本提供十九世紀末英國上流紳士閑暇娛樂的情色刊物，卻讓今人得以從中一窺當時英國社會的風俗民情。
